

Rotary Club of Kemptville Bursary

The Rotary Club of Kemptville provides a bursary of \$500.00 to a student graduating from each local high school who is pursuing post-secondary education at university, college, or the trades.

In order to be considered for the bursary, the applicant must submit a 300-to-500-word essay on the topic "How can the Rotary 4-Way Test be applied during this pandemic". Applicants should indicate how they used these values to work through the pandemic and how they see them working in this type of situation.

Applications must be received no later than May 15, 2021.
